Industries, Energy & Labour Department
Government Circular No. : MIM 2016/CR 105/Ind 8
Madam Cama Road, Mantralaya,
Mumbai – 400 032
Date : 5th April, 2016.**

CIRCULAR

About 2500 MoUs have been signed across various sectors promising investment of about 7.94 lac crore into the State of Maharashtra. The Hon'ble Chief Minister has announced a working group to be constituted under the chairmanship of Hon'ble Chief Secretary to review and guide the implementation of these MoUs into investment on the ground. A proposal in this regard has been submitted for approval of the competent authority.

2. There are a large number of MoUs in the manufacturing sector with promise of investment in ultra-mega or mega projects as well as by MSMEs. In addition, large investment has been committed into industrial infrastructure by way of industrial parks / IIAs / IITTs. It will be the responsibility of the Industries Department to steer the investment in these areas. Development Commissioner (Industries) is working with KPMG and Mahaonline to devise a portal where investors can update progress of the projects and raise issues. At the same time, it is necessary to have a formal set up to interact with those who have signed the MoUs to review the progress and provide assistance. MAITRI is the institutional mechanism to provide support for industrial investment. However, considering the quantum of investments and the number of MoUs it would be more appropriate to have groups of officers to interact with the signatories of the MoUs on a regular basis and bring the issues to MAITRI for review on a monthly basis. Accordingly, the following groups are to be constituted:

- (i) Joint CEO, MIDC - Chairman
Joint Director (Industries) of the concerned region
Deputy CEO, MIDC of the concerned region

- This group will look at investment in Konkan, Nashik and Pune Divisions and all investments into Industrial parks and IIAs.
- (ii) Joint CEO (DMIC & IT), MIDC - Chairman
Joint Director (Industries) of the concerned region
Deputy CEO, MIDC of the concerned region

- This group will look at investment in Marathwada, Amaravati and Nagpur Divisions and all investments into IITTs and IT Parks.
- (iii) Joint Director of Industries - Chairman
General Manager of the concerned division, DIC
Regional Officer, MIDC of the concerned region

- These groups will look at investment by all MSMEs and large projects in the division.

3. The first task of the groups will be to ascertain whether the investor requires land in MIDC or is already in possession of land. If land is outside of MIDC, the group will aid in NA permission / zone change. The groups may invite concerned officers of other departments like Revenue, Energy, MPCB etc. to facilitate the investment. Allotment of land in MIDC will be done on priority.

4. The above groups shall meet once in every 15 days and call selected investors for the review. The report of the meeting shall be submitted by e-mail to Principal Secretary (Industries), Chief Executive Officer, MIDC and Development Commissioner (Industries).

5. A review of selected projects and the work done by the sub groups above would be taken at MAITRI every 4th Friday of the month by Principal Secretary (Industries), Chief Executive Officer, MIDC and Development Commissioner (Industries). The field officers would be required to attend through Video Conference. KPMG will keep records and provide support.

6. This Government circular of Maharashtra Government is available at the website www.maharashtra.gov.in. Reference no. for this is 201604071236447010. This order has been signed digitally.

By order and in the name of the Governor of Maharashtra.
